CALL TO WORSHIP

Jesus offers a new-old commandment, that we should love each other.
With the incredible power and the unfathomable depth of God's love for us we can, we must, love one another.

Loving God,
Forgive us for not loving others as you have loved us. Take away our judgmental attitudes, our pride, our tendency to always think well of our own motives, opinions and values while assuming that others are in the wrong and just don't get it. Fill us with the love that you have for us so that we might express it to others

And it is in this love for one another
that the world will know, whom and what we worship.

Come, children of God, let us love one another.

The peace of the Lord be with you always.

And also with you.

Please share signs of peace with one another.
