

St. John's Parish Announcements

Week of Aug. 8 - Aug 15

Altar Flowers today are given to the glory of God and in honor of the Covid-19 Task Force by Gil & Pam Bulman

Welcome to St. John's Lutheran Church. We are a community called together through the power of the Holy Spirit to engage God in our daily lives. Take some time to read through these announcements and prayer requests to see how God is engaging you. With the uptick in Covid-19 cases we strongly encourage people to wear masks during worship. They are available in both buildings.

Back to School Blessing next week: Both Services

We are excited to bless and welcome all those who are going back to school. *Teachers, Students, Bus Drivers, Parents, Grandparents and all those that are affected by this amazing milestone are invited to bring with them something to be blessed during worship.* And at **10AM Sunday School happens for all ages!** Nursery through Adults will be able to grow in their relationship with Jesus and each other. Come back next Sunday and invite someone to join you.

St. John's is who it is because of who you are. We all are part of one body and for the body to work and move forward we need every part! We need you. Check out the ways in which you can engage God in your daily lives and be the body.

Altar Guild- This important ministry prepares our worship spaces and the table for communion on a rotating basis, with assignments either monthly or randomly through the year - whichever works better for you! Members are assigned to work together, are fully trained (no prior experience necessary!) and enjoy their opportunity to serve. If you would like more information, call Judy Lybrand (576-8217).

Fellowship Hour- It is time to come together after the Worship Services to connect with one another. Starting the 15th, feel free to gather in the PLC after the 9 and in Fellowship Hall after the 11:00 services. If you are willing to provide coffee and a light snack, please sign up in either place. Circles, Families, Ministry Groups, Individuals, all are welcome to sign-up. When no one is signed up for refreshments, the rooms will still be open and set for fellowship and conversation.

Party Planners- We have been apart for so long and it is time to come back together. Homecoming is around the corner and we are in need of people who would like to help organize a family celebration. *Contact Pastor Erin*

Pictorial Directory- Let's all see each other without masks and enjoy the smiles. We are looking for people to help put together a new directory that can be online as well as in your hand. *Contact Pastor Erin*
